

**Quick Start Guide**

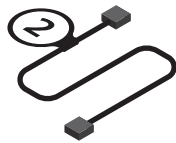

English  
CUH-ZVR1

# What's in the box?

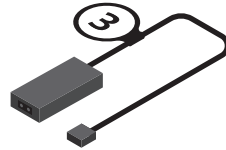

Here's what you'll find as you unbox your PlayStation®VR. A PlayStation®Camera is required, and may not be included.

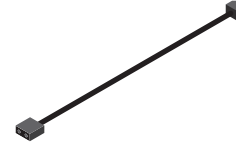

HDMI® cable

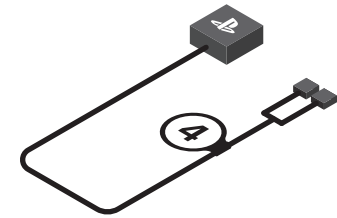

USB cable

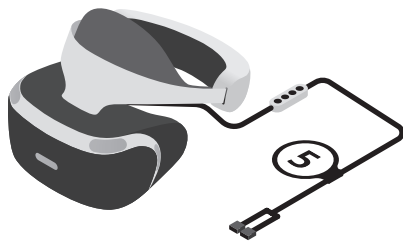

AC adaptor

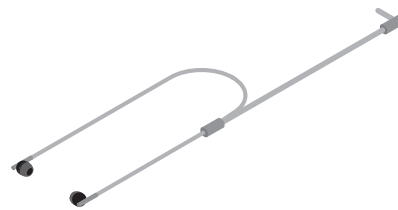

AC power cord

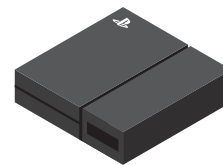

VR headset connection cable

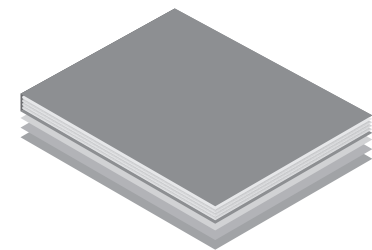

VR headset

Stereo headphones  
(with earpieces)

Processor unit

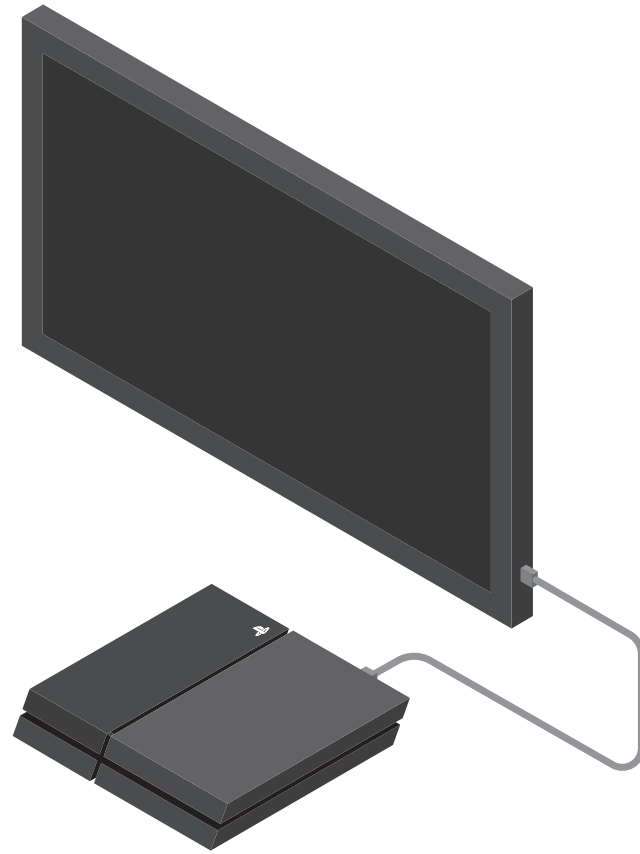

Printed materials

# Connections

Make sure your PS4™ system and your TV are turned off.  
You can also view a video with simple setup directions (▶▶ back cover).

PlayStation®4 system ▶

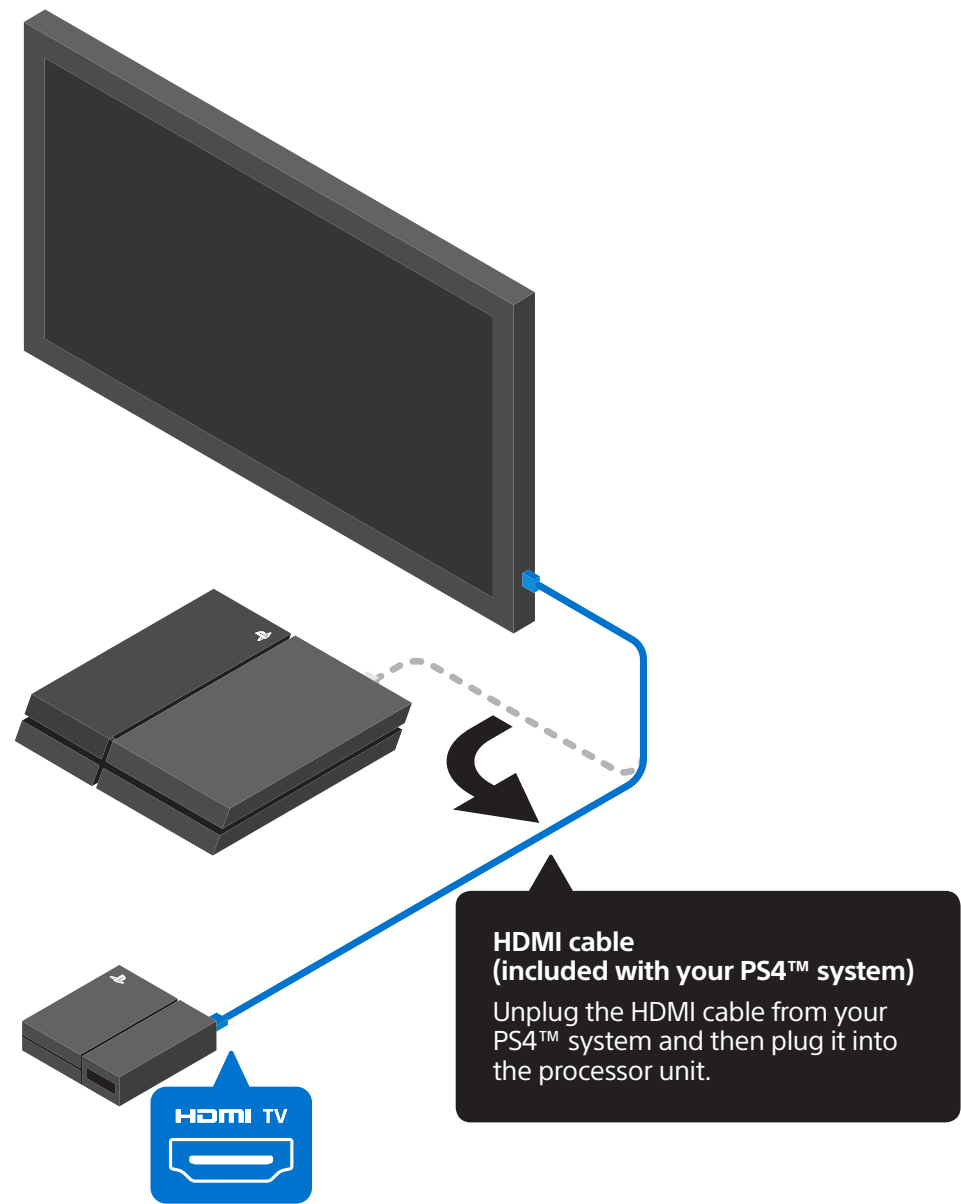

Processor unit ▶

# Connections

Unplug the HDMI cable from your PS4™ system and then plug it into the processor unit.

# Connections

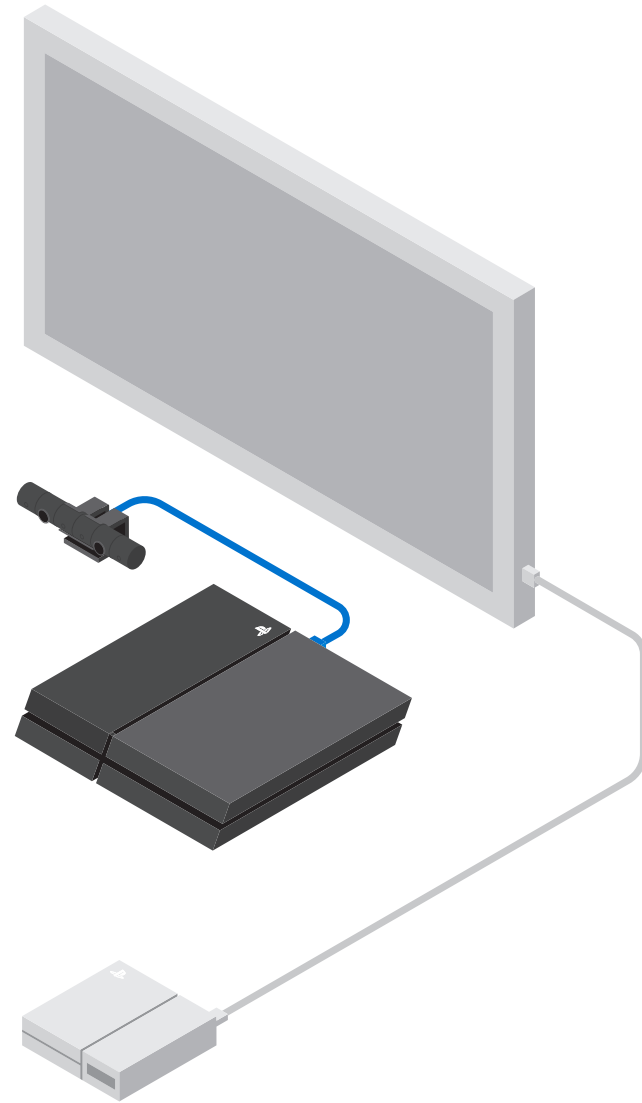

Connect your PlayStation®Camera to your PS4™ system.

## Hints

- If you already connected your camera, you can skip this step.
- See your camera's instruction manual for setup information.

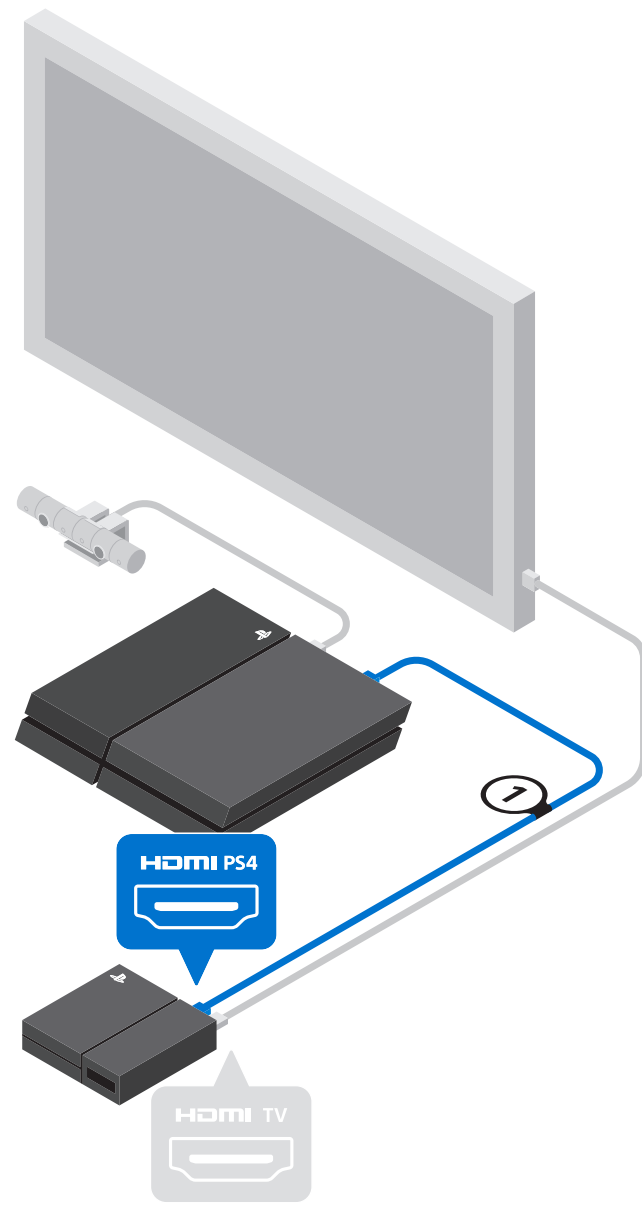

PlayStation®Camera ▶

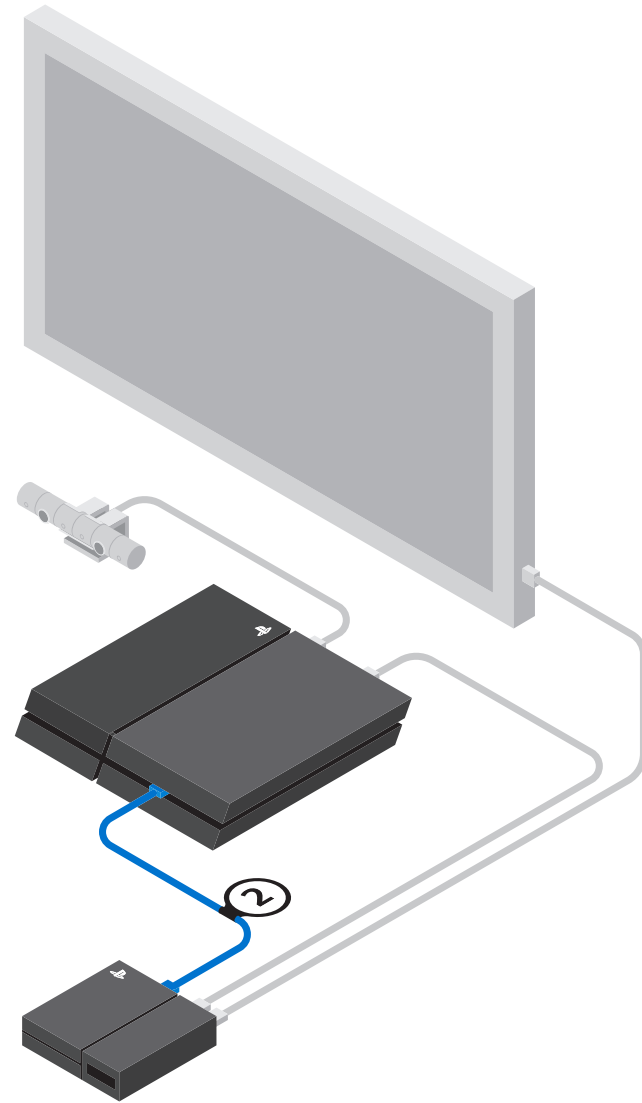

# Connections

Plug the HDMI cable (①) into your PS4™ system and the processor unit.

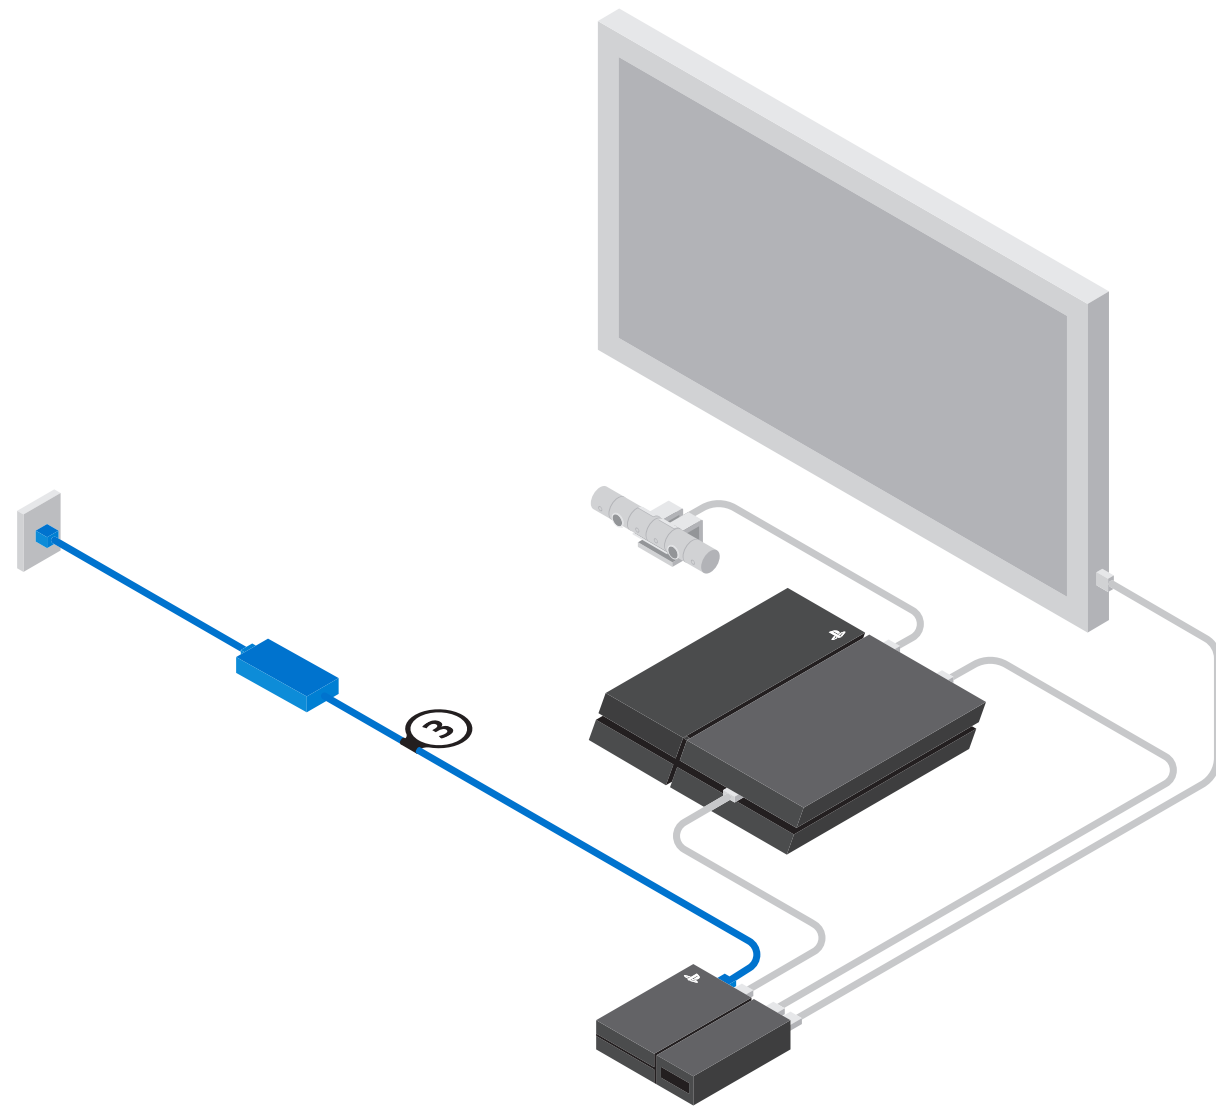

# Connections

Plug the USB cable (②) into your PS4™ system and the processor unit.

# Connections

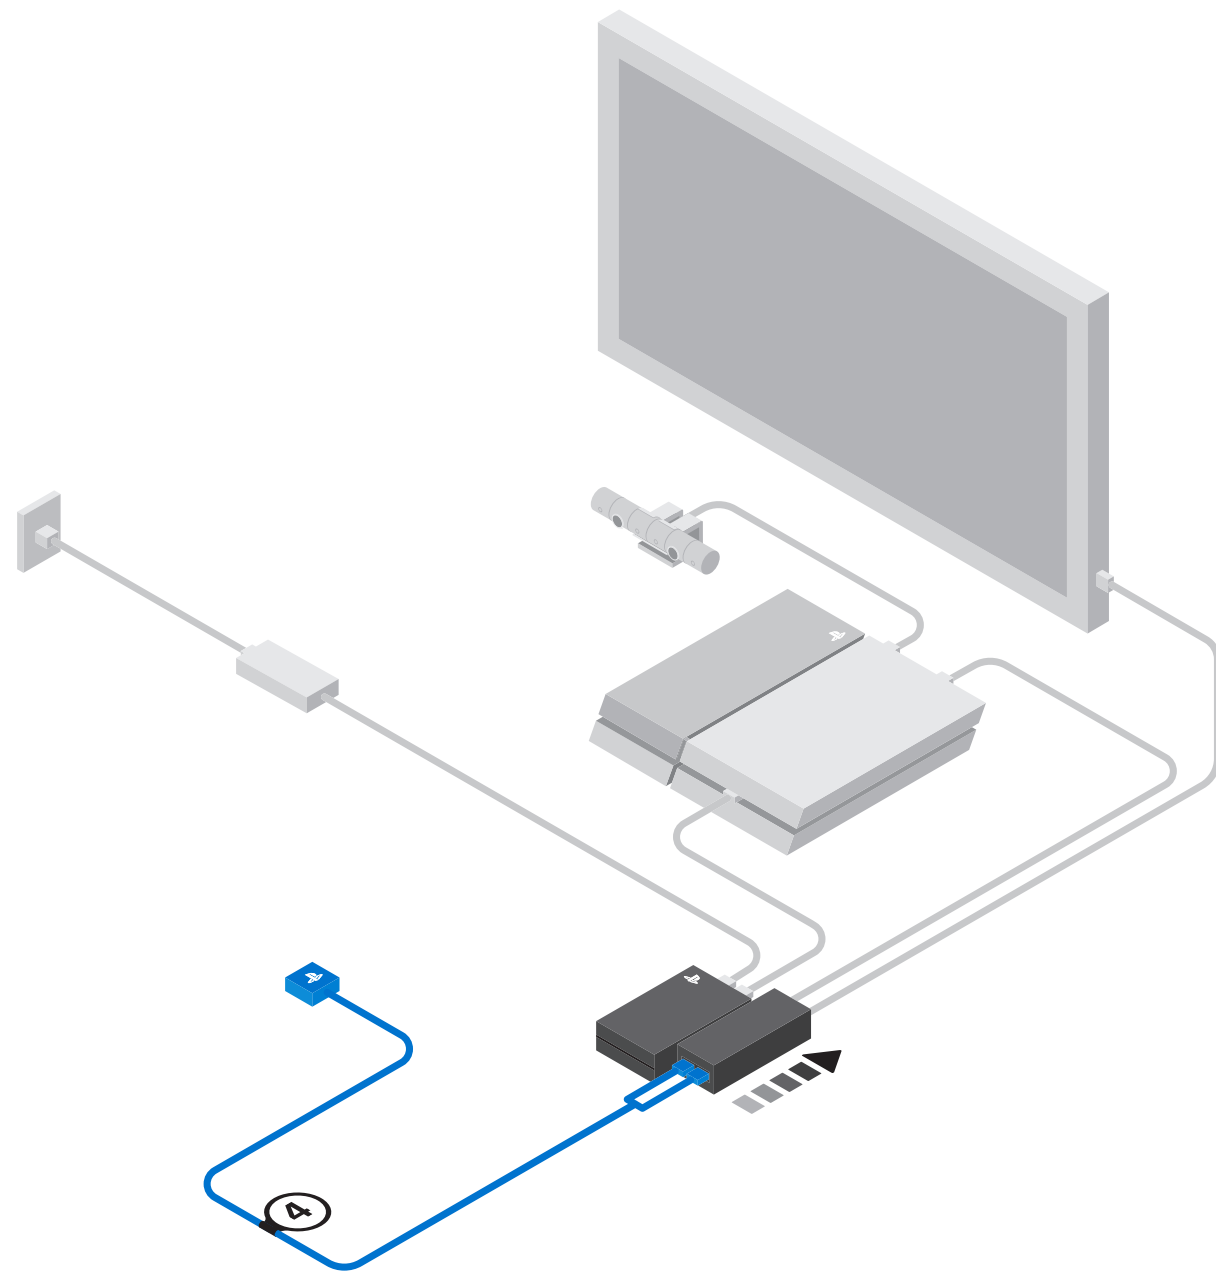

Connect the AC power cord to the AC adaptor, and then plug the adaptor cable (③) into the processor unit. Plug the power cord into an electricity supply.

# Connections

Slide back the connection cover for the processor unit, and then plug in the VR headset connection cable (④).

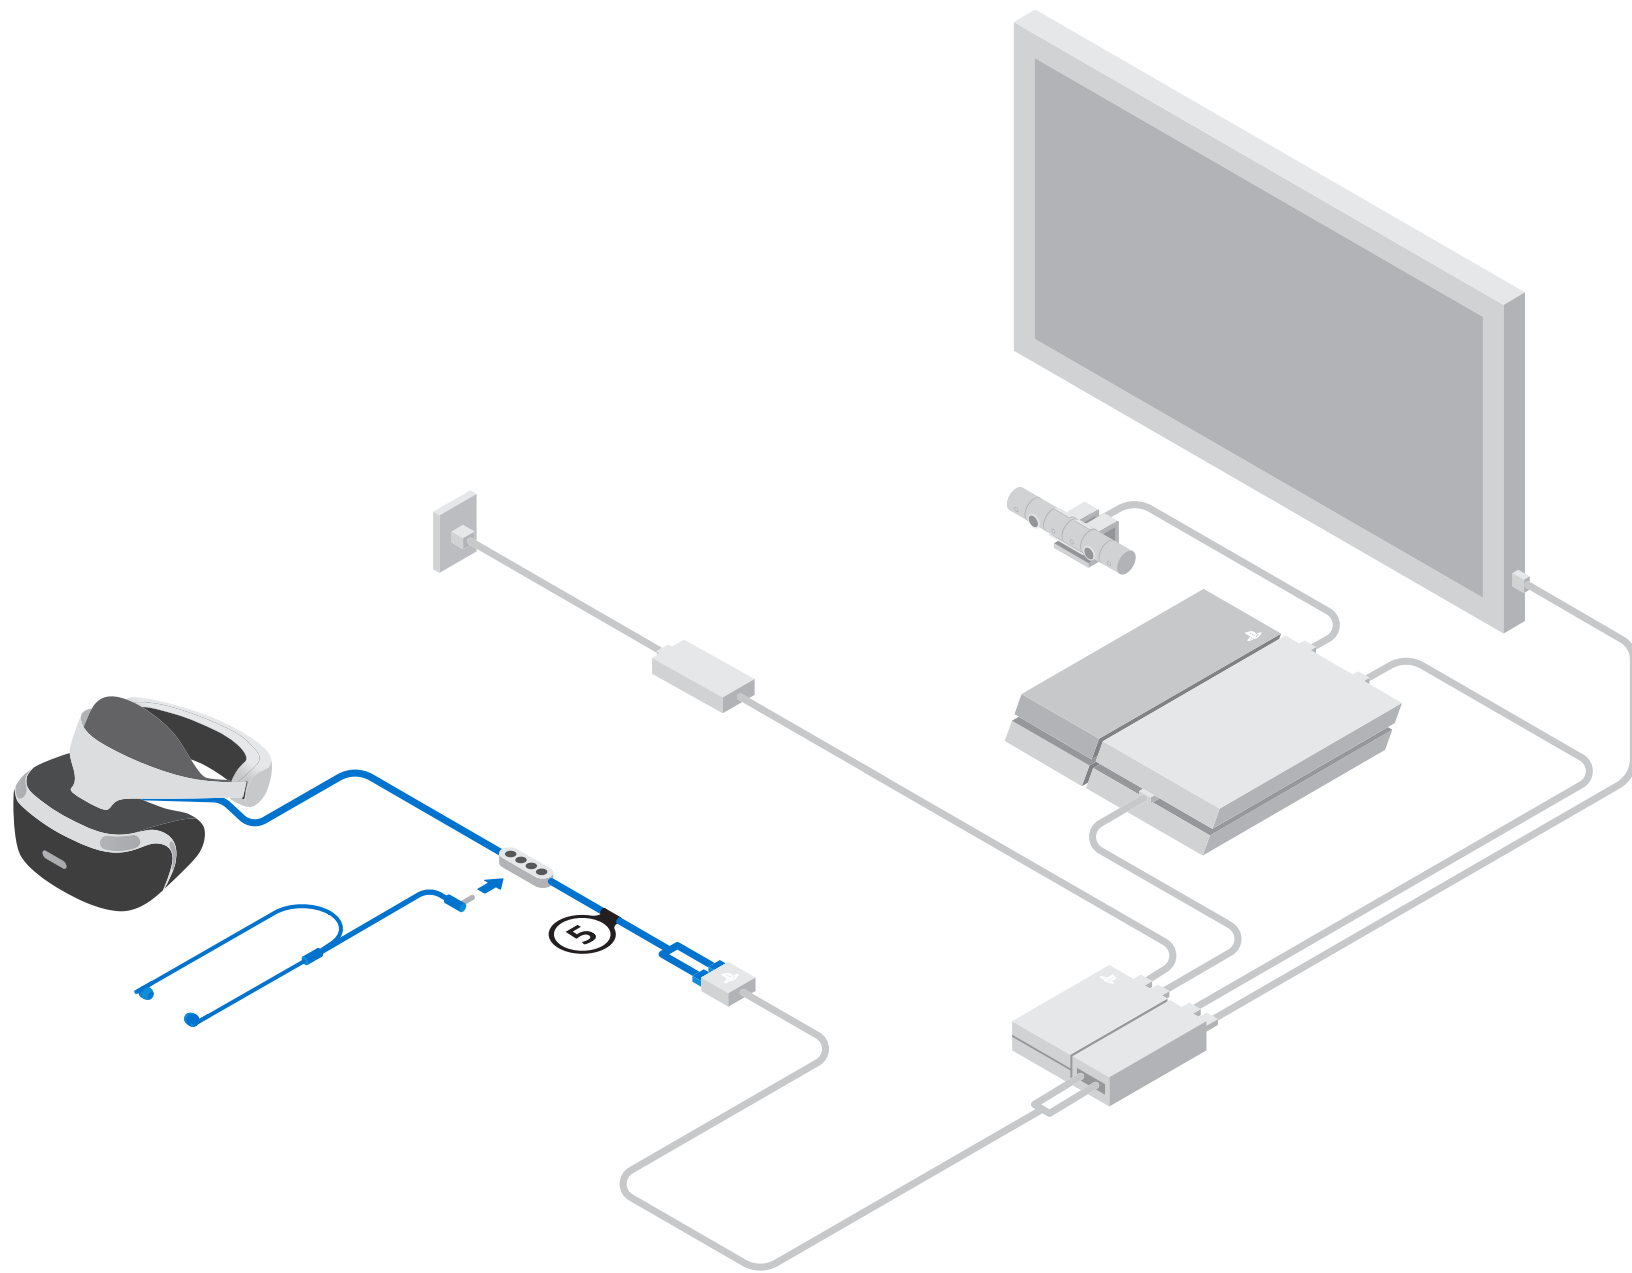

# Connections

Plug the VR headset (⑤) into the VR headset connection cable.  
Plug the supplied stereo headphones into the inline remote for the VR headset.

## Hint

Want the best PS VR experience? You'll need to use stereo headphones to enjoy 3D audio. You can also use your own stereo headphones/headset.

# Power up your PS VR

1. Turn on your TV.
2. Press the  (power) button on your PS4™ system.
3. Press the  (power) button on the inline remote for the VR headset.

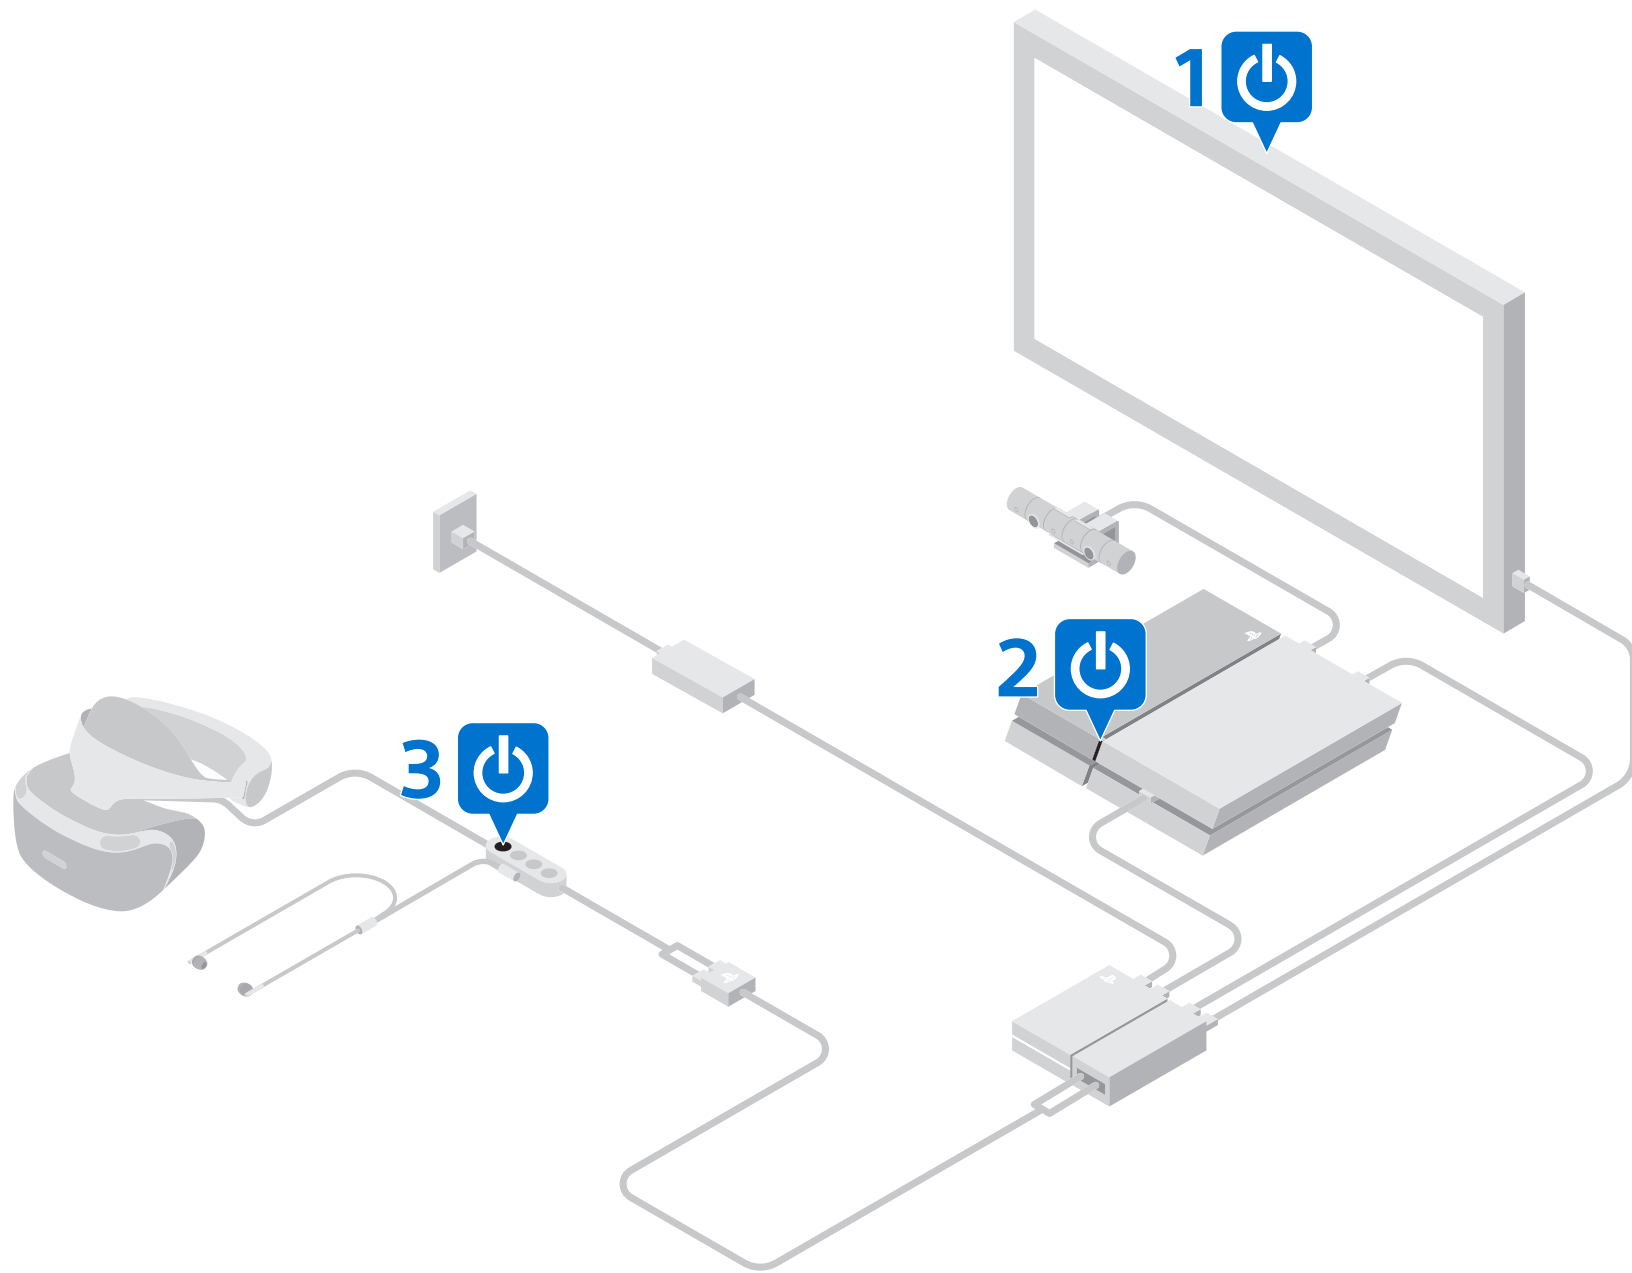

When the VR headset is turned on, the tracking lights (rear) will glow blue.

4. Set up your PS VR.

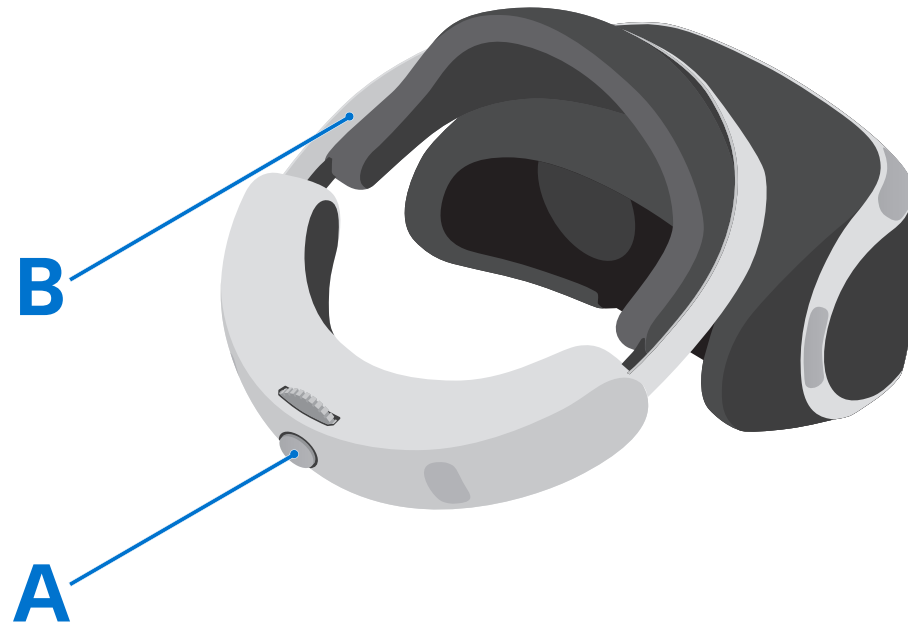

Follow the on-screen instructions on your TV for setup information and guidance on how to put on your VR headset.

## Hint

Ensure your PS4™ system software and PS VR device software are always updated to the latest version.

# Remove your VR headset

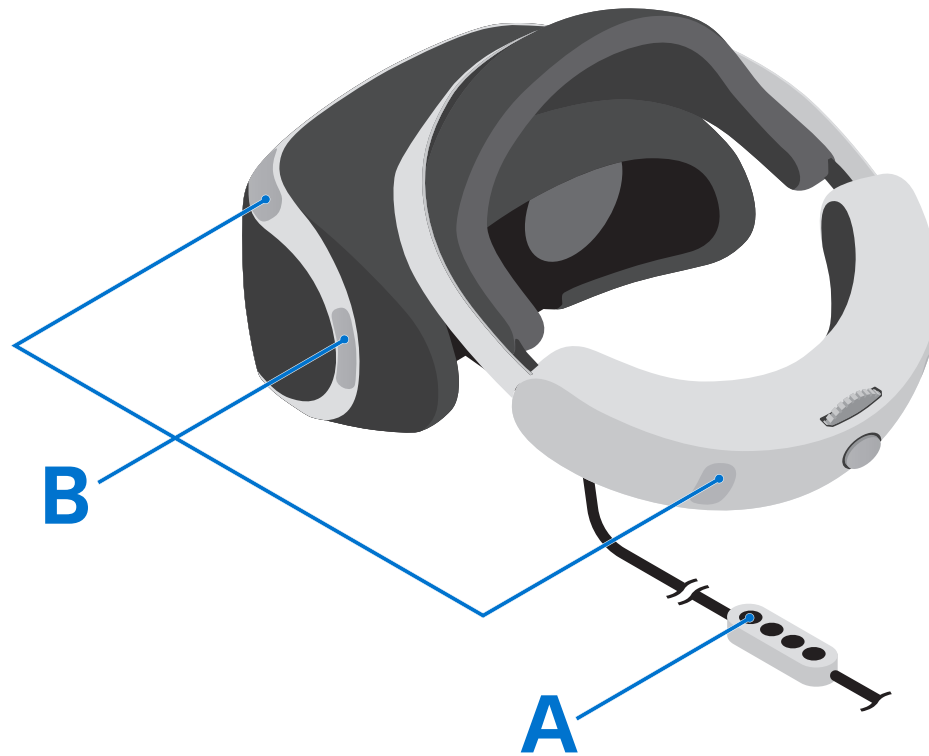

**While pressing the headband release button (A), pull the headband (B) back to remove it.**

## Hints

- When you don't use your VR headset for an extended period of time, the headset screen goes blank.
- Need some help putting your VR headset back on? Select  (Settings) > [Devices] > [PlayStation®VR] on the PS4™ system's function screen for instructions.

# Turn off your VR headset

To turn off your VR headset, press the  (power) button (A) on the inline remote. The tracking lights (B) will go out.

#### Hint

You can continue to use your PS4™ system to play games that are not VR enabled. You don't have to reconnect cables or unplug the processor unit.

## Instruction manual

Carefully read the PS VR Instruction Manual before you attempt to use this product.

## Step-by-step setup guide
