

Rules of Cornhole

1. Cornhole boards should be placed on a flat surface about 20 feet apart (front to front)
2. Two teams of two people shall play. Partners will stand at opposite cornhole boxes on the same side, and face each other. Each team will have 4 bags of one color.
3. All 8 bags will begin at one end, and a coin flip will determine which team starts.
4. One of the partners on the team who starts shall begin play by throwing a bag at the opposite cornhole box. A player may throw from anywhere behind the front of the cornhole box they are throwing from.
5. Game continues by alternating throws between the two opponent players until all 8 bags have been thrown. If a bag hits the ground, then bounces up onto the board, the bag should be taken off the playing surface.
6. The score shall be taken after all cornhole bags have been thrown for a round.
 - a. 3 points for a bag that goes through the hole.
 - b. 1 point for a bag that is on the playing surface.
 - c. 1 point for a bag that is hanging into the hole.
 - d. 1 point for a bag that is hanging off the edge but not touching the ground.
 - e. 0 points for a bag that is on the playing surface, but also touching the ground.
 - f. 0 points for a bag that is hanging off the front edge and is resting on a bag that is on the ground (unless the bag on the ground can be removed without making the hanging bag fall to the ground, then 1 point is given).
7. The team with the highest round score, adds the difference of the two scores to their game score.
8. The team who wins the round throws first in the next round.
9. If both teams have the same round score then the game score stays the same and honors stay with the team who had it the previous round.
10. The game continues until one team reaches 21 or more points.
