

## LID / ON SWITCH

Pressing down on the lid turns the Ice Shaver on.

## HANDLE

Everything is better with Snowie Shaved Ice.

We have added this handle so you can take it with you and make it snow anywhere.

## MOTOR

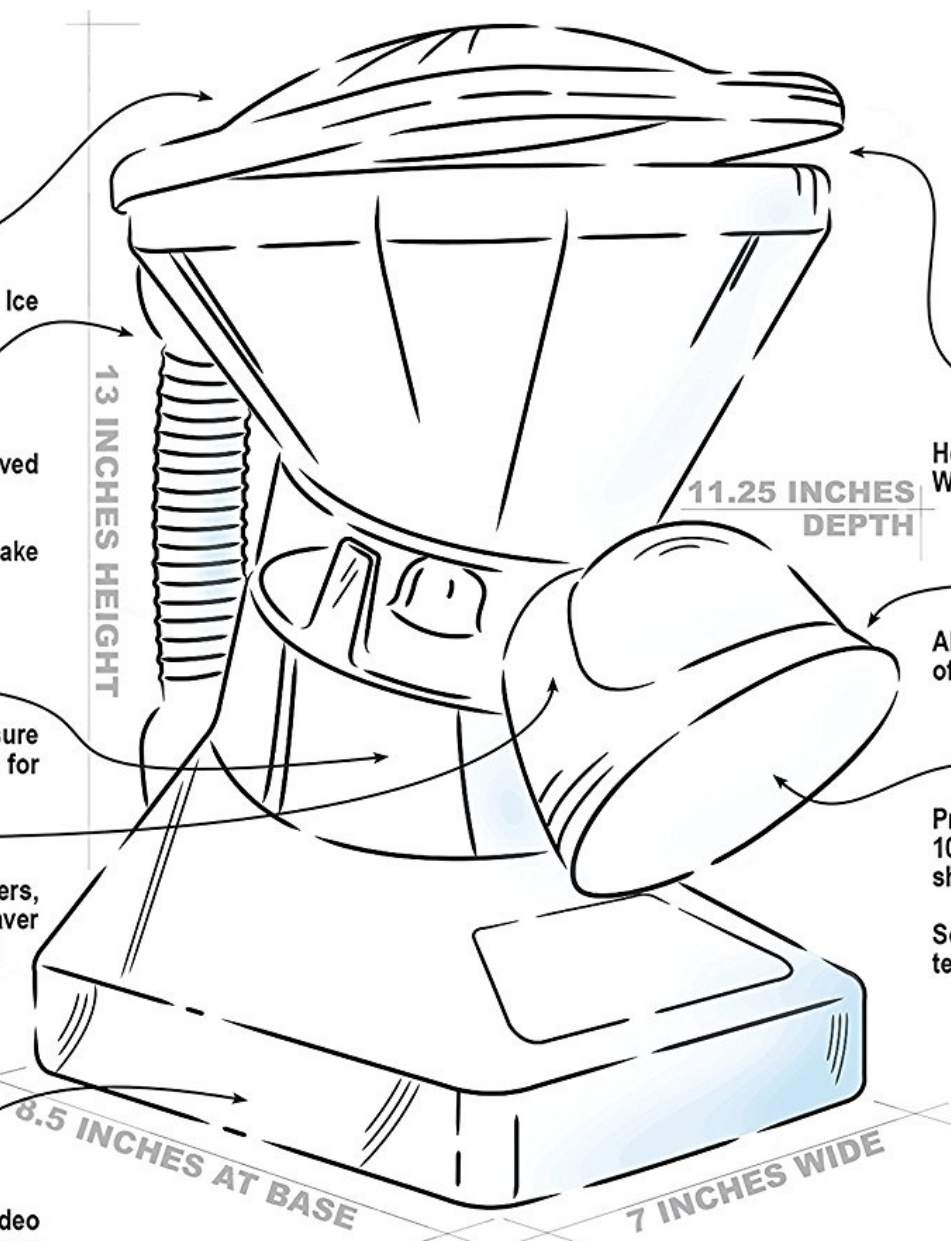

High Speed Commercial Motor to ensure you have delicious Snowie Shaved Ice for years to come.

## BLADE & SPEED

Modeled after our commercial ice shavers, this machine is the fastest home ice shaver on the market making an 8 oz cup every 5 seconds.

## OPERATING INSTRUCTIONS

QR Code and link for access to Video Tutorials and Tips on how to perfect your Shaving Technique.

## ICE HOPPER

Holds 1/2 Gallon of Ice Cubes (64 Ounces)  
Will make approximately (9) 8 oz cups

## TOP SHAPER

Allows you to put a perfect dome on the top of your Snowie Shaved Ice.

## SHAPER / SNOW EXIT

Press your cup up into the shaper to use 100% of the Snow. Back the cup out while shaving to add a larger top.

Scan Code below to perfect your shaving technique.
